

Degree Programs Under Consideration

Montana Tech of the University of Montana

DEGREE	MAJOR	OPTION	NOTES
<i>For possible submission 2009-2010</i>			
Ph.D.	Sustainable Engineering (including energy)		Offered in collaboration with The University of Montana-Missoula
<i>Other</i>			
	Center for Energy and Mineral Research		
<i>For possible submission 2010-2012</i>			
Certificate	Advanced Certification in Radiology		
Certificate	Land Surveying		
A.A.S.	Land Data Acquisition Technology		
Bachelors	Biochemistry		
Bachelors	Computer Science - New Option	Healthcare Informatics (HCI)	
Bachelors	Engineer of 2020 - Sustainable/Green Engineering		
Bachelors	Safety Engineering		
Bachelors	Statistics		
Minor	Military Science		
Minor	Statistics		
Post-Bacc Certificate	Electrical Engineering		
Post-Bacc Certificate	Environmental Engineering		
Post-Bacc Certificate	General Engineering		
Post-Bacc Certificate	Geological Engineering		
Post-Bacc Certificate	Geophysical Engineering		
Post-Bacc Certificate	Health Communication		
Post-Bacc Certificate	Metallurgical and Materials Engineering		
Post-Bacc Certificate	Mining Engineering		
Post-Bacc Certificate	Petroleum Engineering		
Post-Bacc Certificate	Secondary certification in English		
Post-Bacc Certificate	Secondary certification in History		
Post-Bacc Certificate	Secondary certification in Social Science		
Masters	Biological Sciences		
Masters	Biomedical Engineering		
Masters	Geological Engineering		
Masters, Engineering	Geological Engineering		Coursework only
Masters, Engineering	Mining Engineering		Coursework only
