ITEM 140-301-R0708

Approval of Proposal to Designate an Associate of Arts Degree in Substance Abuse Counseling to Replace the Current AAS in Substance Abuse Counseling: Flathead Valley Community College

THAT:

The Board of Regents authorizes Flathead Valley Community College to offer a designated AA degree in Substance Abuse Counseling.

EXPLANATION:

The proposed change in the current Associate of Applied Science (AAS) in Substance Abuse Counseling to a designated Associate of Arts (AA) in Substance Abuse Counseling is to comply with MCA 37-35-202, paragraph 2(b) which states "a person may apply for licensure if the person has received an Associate of Arts degree in alcohol and drug studies, addiction, or substance abuse from an accredited institution."
