Revision of Regents Policy 301.1 – Admission Requirements for Undergraduates into Four-year University Programs

---

**THAT**

The Board of Regents of Higher Education revises Board of Regents' Policy 301.1 to (1) require that students provisionally admitted based on mathematics and/or writing proficiency standards must register for those courses during their first semester and are required to complete those initial courses by the end of their second semester enrolled; (2) within 2 semesters of enrolling, earn a C- grade or better in a course that is a prerequisite to a mathematics course 100 or higher; (3) within 2 semesters of enrolling, earn a grade of C- or better in a course that is a prerequisite to a writing course 100 or higher; (4) Within three semesters a student will complete the mathematics and/or writing course which bears college credit.

---

**EXPLANATION**

These revisions were recommended by the Developmental Education Task Force in their final report to the Board of Regents at the May 2013 meeting. The revisions to Policy 301.1 will enforce that students enroll in developmental coursework and complete the required college credit courses in Math and Writing within the first three semesters.
