ITEM 175-2802-R0517

Request for authorization to expend computer fees; Montana State University-Northern

THAT

The Board of Regents of Higher Education hereby authorizes Montana State University-Northern to expend Student Computer Fee funds for the following project. The total cost of the purchase is \$85,440.

EXPLANATION

In accordance with Board of Regents Computer Fee Policy 940.23, Expenditure of Computer Fees for projects in excess of \$25,000 requires authorization by the Board of Regents.

This allocation was based on the unanimous recommendation of the Computer Fee Advisory Committee whose membership included 50 percent students as required by Board policy.

The proposed purchase includes the following:

- Lifecycle refresh of computers in the following classrooms and computer labs:
 - 15 iMacs in Cowan Hall 112
 - 10 computers with monitors in Applied Technology Center 116
 - 16 computers with monitors on the main floor of the Vande Bogart Library
 - 10 computers with monitors in Electronics Building 203
 - 8 computers with monitors in MacKenzie Hall
 - 4 computers with monitors in Morgan Hall
