Request for Authorization to Grant Utility Easements for the Athletic Training Facility; Montana State University

THAT

Consistent with BOR Policy 1003.6, the Board of Regents of the Montana University System authorizes Montana State University to grant utility easements for the Bobcat Performance Facility located on MSU property near Bobcat Stadium and Bobcat Track and Field Complex.

EXPLANATION

1. The Athletic Training Facility is located adjacent to the Bobcat Stadium and Bobcat Track and Field complex.
2. The easements allow NorthWestern Energy to install and maintain natural gas and power to the project site, along with other future utilities as required by the project and approved by MSU.
3. This request and the associated easements do not grant rights of way.
4. The easements benefit MSU and satisfy the requirements in BOR Policy 1003.6 by providing natural gas connections to service the new Bobcat Performance Facility as well as any additional future development.
5. No state funds are requested as part of this easement.
