Vision

To be a leader for undergraduate and graduate education and research in the Pacific Northwest in engineering, science, energy, health, information sciences and technology.

Mission

To meet the changing needs of society by supplying knowledge and education through a strong undergraduate curriculum augmented by research, graduate education and service.

Guiding Principles

To honor our heritage as a premier engineering institution

To attract and educate motivated and capable students

To provide a quality education that blends theory with practice

To recruit, encourage and enable faculty to develop regional and national reputations in teaching and research

To collaborate with others to serve the needs of the community, the State of Montana, and the Nation
