II. Procedures:

A. AUTHORIZATION: Each campus shall establish an approval process for international travel by faculty, staff, and students. Each campus shall establish an international travel review committee which will be responsible to review and approve any travel to a country with a U.S. State Department Travel Warming or which raises serious safety concerns or may be outside insurance coverage areas.

B. REGISTRATION: The University of Montana - Missoula and the Montana State University - Bozeman campuses shall maintain a computer based Travel Registry for international travel for all of its affiliated campuses. The Registry will allow the universities to identify and assist all university travelers in an emergency and provide travelers helpful information prior to departure. The computer based Travel Registry must be available no later than October 1, 2014.

Campuses will maintain paper documentation of international travel until the computer based Travel Registry is in place.
