

## **2024-25 Perkins Report Card**

### **LEA Performance Report UM-Western**

**Montana University System  
Office of the Commissioner of Higher Education  
560 N Park Ave  
Helena, MT 59620**

## How to Read Perkins Report

The following pages of the Campus Report are based on the Perkins V Consolidated Annual Report (CAR), the single reporting instrument of the Department of Education for Perkins V. This page outlines the reporting definitions and procedures to assist in understanding the findings.

There are three postsecondary metrics that Montana uses to indicate performance of Perkins Programs; 1P1, 2P1, and 3P1. Each of these metrics have a State Determined Level of Performance (SDLP) that have been approved by the Department of Education. These metrics are further defined using both the numerator and denominator definition, as well as the current year's SDLP, in the subsequent pages.

There are 16 different career clusters, which are also known as career pathways, that are used in the Perkins V CAR. Each cluster is included in the campus report and are determined by Classification of Instructional Program (CIP) codes. If the campus does not have any programs within the career cluster all columns will have zeros. Two additional tables have been included, one that includes total values for all clusters and one that identifies all students that do not belong in a cluster. Students that do not have a cluster are typically enrolled in General Studies or are non-degree seeking.

All tables have been disaggregated by gender, race, and special populations. They also include the total number of participants, which are defined as any student who has taken a CTE course and has 11 or less credits. A concentrator is any student that has taken 12 or more CTE credits in the current reporting year. All concentrators are considered to be participants, but participants are not concentrators.

# 1P1 Post-Program Placement

Numerator: The number of CTE concentrators who during the second quarter after program completion, are reported as positively placed (reenrolled or employed).

Denominator: The number of CTE Concentrators who completed the program during the prior year.

**The State Goal for 1P1 is 76.50%**

Populations	Number of Students in Numerator	Number of Students in Denominator	Performance
Grand Total	41	46	89.13%

## 2P1 Earned Recognized Credential

Numerator: The number of CTE concentrators who obtained a diploma, certificate, or credential during participation in or with 1 year of program completion.

Denominator: The number of CTE concentrators who left postsecondary during the prior reporting year.

**The State Goal for 2P1 is 40.0%**

Populations	Number of Students in Numerator	Number of Students in Denominator	Performance

## 3P1 Non-Traditional Program Placement

Numerator: The number of CTE concentrators from underrepresented gender groups, in career and technical education programs and programs of study that lead to non-traditional fields.

Denominator: The number of CTE concentrators in a CTE program or program of study that leads to a nontraditional field during the reporting year.

**The State Goal for 3P1 is 18.24%**

Populations	Number of Students in Numerator	Number of Students in Denominator	Performance
