Prepared by Salish Kootenai College for Montana University System, Office of the Commissioner of Higher Education 2022-2023 Perkins Reserve Application

Submitted by Stacey Sherwin

Submitted on 07/01/2022 10:15 AM Mountain Standard Time

Opportunity Details

Opportunity Information

Title

2022-2023 Perkins Reserve Application

Description

Under Perkins V legislation, Perkins Reserve funding may be made available to eligible agencies in order to:

A. Foster innovation through the identification and promotion of promising and proven career and technical education programs, practices, and strategies, which may include programs, practices, and strategies that prepare individuals for nontraditional fields; or

B. Promote the development, implementation, and adoption of programs of study or career pathways aligned with State-identified high-skill, high-wage, or in-demand occupations or industries.

Awarding Agency Name

Montana University System, Office of the Commissioner of Higher Education

Agency Contact Name

Jacque Treaster

Agency Contact Phone (406) 449-9135

Agency Contact Email

jtreaster@montana.edu

Public Link

https://www.gotomygrants.com/Public/Opportunities/Details/2b930bec-dc7f-439f-8cde-856eff1637a7

Award Information

Award Range \$30,000.00 - \$80,000.00

Award Period 07/01/2022 - 06/30/2023

Award Announcement Date 6/20/2022

Award Type Competitive

Indirect Costs Allowed Yes

Indirect Cost Rate 5.00 %

Restrictions on Indirect Costs Yes

Citation Governing Indirect Cost Restriction

Federal Guidelines state that no more than 5% of project funds can go to administration and indirect costs.

Matching Requirement

Submission Information

Submission Window 02/23/2022 12:00 PM - 06/03/2022 5:00 PM

Question Submission Information

Question Submission Email Address

jtreaster@montana.edu

Question Submission Additional Information

For more information about the 2022-2023 Perkins Reserve Application, including application requirements, please see the 2022-2023 Perkins Reserve Application RFP.

Award Administration Information

Administrative and National Policy Requirements

Use of Funds:

Campuses awarded funds must complete the activities and achieve the outcomes identified in the final, awarded version of the grant application.

Funds must be used in accordance with:

• CFR 34: Education – Part 74: Administration of Grants & amp; Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,

http://www2.ed.gov/policy/fund/reg/edgarReg/edgar.html

• 2 CFR 200 is the current guidance PART 200—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS

https://www.govinfo.gov/content/pkg/CFR-2014-title2-vol1/xml/CFR-2014-title2-vol1-part200.xml

Reporting

LEAs awarded funding for this project agree to the following:

- Submitting applications and amendments prior to stated deadlines.
- Finalizing grant budget no later than June 15th, 2022.
- Program staff attendance at state-level professional development/trainings
- Regular attendance on monthly webinars/conference calls
- Providing quarterly fiscal and program reports by deadlines
- Submitting a final program report on projects activities, populations served, and outcomes achieved at year end
- Submission of budget amendments prior to May 1st, 2023.

Other Information

Eligibility and Duration

One-year grant awards are available through an annual application process to:

• Tribal colleges, two-year colleges, and community colleges who receive or will receive Perkins Postsecondary Local Application funds during the same grant year (LEAs).

• LEAs who have been in good standing with their local application funds for two years prior to the application year. This includes adhering to grant application and reporting deadlines, submitting data, and all Perkins and Civil Rights monitoring.

Project 1

Project 1 Title

Dual Enrollment - High School Students into Trades

Project 1 Begin Quarter

Q1 •

Project 1 End Quarter

Q 4

1 - Project/Program/Purchase Summary*

Ŧ

SKC's Dual Enrollment (DE) Coordinator will continue to expand and improve dual enrollment and concurrent enrollment offerings in multiple career pathways including STEM, IT, Health Professions, and Education. However, a particular focus of the 2022-2023 activities will be work to create dual enrollment pathways leading to Trades, one-year Certificate of Completion, and related areas. The Confederated Salish & Kootenai Tribes (CSKT) Tribal Council and the CSKT Economic Development Plan continue to emphasize the importance of creating pathways for high school students to enter needed occupations in trades-related areas, as well as the creation of opportunities for out-of-work individuals. The Montana DLI job projections show continued need for individuals in careers such as transportation, construction, trades (electrician, welding, etc.), and allied health assistants such as dental assistants and medical assistants. These additional pathways are emphasized by CSKT entities as many tribal HS students are not interested in pursuing college degrees immediately out of high school.

In 2021-2022, the DE Coordinator completed career pathways that show HS students what courses could be taken in hHS for career areas including Education, Nursing, and Natural Resources Management. In 2022-2023, the DE Coordinator will work to develop 3 new pathways for students interested in Allied Health, Computer Programming/IT, and Construction/Transportation areas. The Dual Enrollment Coordinator will host meetings with CTE instructors and counselors from the seven high schools on the Flathead Reservation. The DE Coordinator will work with SKC's trades and one-year programs to increase dual enrollment offerings.

Related expenses include transportation costs to the high schools, reimbursement for SKC faculty for the costs of Class 8 licenses. The Dual Enrollment Coordinator also coordinates the Career Exploration Day, Project #2. SKC anticipates a new hire for the DE Coordinator position. In 2022, the DE Coordinator will travel to the NACEP conference, which is important as continuing professional development will assist with ongoing enhancement of the DE Program. The Coordinator will revise dual enrollment materials into a Pathways format.

Finally, the Dual Enrollment Coordinator will work with SKC's Career Center Director to host a "Trades Career Fair" as explained in Project #3.

1 - Expected Measurable Outcome(s)*

1. The Dual Enrollment Coordinator will hold two meetings with high school CTE teachers and counselors from the 7 Reservation High Schools, focusing on developing career paths into Trades. 2. A minimum of 25 high school students will complete dual enrollment courses in trades-related areas as specified in #1 above. 3. Three new career pathways

will be shown as options on the SKC Dual Enrollment Website: Transportation/Construction, Computer Programming, and one-year Allied Health Assistant positions.

1 - How does this project advance the use of technology in CTE?

All of the Career Pathways listed involve the use of technology, however this application does not target increases in use of technology except to expose students to current technology in related fields.

1 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

This Perkins Reserve Grant will focus on developing partnerships for students interested in either direct entry to trades or in one-year Certificate of Copletion Programs aligned with the following Career Pathways: Transportation, Welding, Information Technology, Health Professions, and Design/Construction, with others possible. High school students will be able to register for dual enrollment courses in SJC's current Highway Costruction Training, Automotive Repair, Dental Assisting, Medical Assisting, and Computer Programming programs. Students will also be provided with information about dual enrollment opportunities at Missoula College in trades-related areas.

Add Projects

Would you like to add another project?

● Yes ○ No

Project 2 Title

Career Exploration Day

Project 2 Begin Quarter

Project 2 End Quarter

Q 4	-
G T	

2 - Project/Program/Purchase Summary

SKC will conduct the fourth annual Career Exploration Day for area high school juniors and seniors in Computer Sciences, Education, and Natural Resources tracks. Importantly, in 2023 the Career Exploration Day will include trades including Highway Construction Training, Automotive Repair, and also Allied Health areas. SKC was unable to host a Career Exploration Day in Spring 2022 due to lingering issues related to COVID-19. However, the previous two Career Exploration Days have been well received, with students from five area high schools participating in the day. Students explore careers, meet with employers in their respective areas, and experience hands-on activities in their chosen career path. This day is coordinated by SKC's Dual Enrollment Coordinator. Students will also be provided with computer laboratory time to explore the Montana Career Pathways and MCIS, and talk about dual enrollment opportunities related to their chosen career path, and receive information about applying for financial aid. SKC instructors develop course materials, teach hands-on activities so students can explore related careers, and assist with development and organization of the day. Additionally, SKC will offer small materials budgets for the academic departments participating in the Career Exploration Day. SKC will provide lunches as in-kind support. An SKC bus will be used to transport students from the east campus to the cafeteria for lunch. Students are given 1 free academic credit at SKC and write a short reflective essay to finalize the earned credit; essays are available on request. Activities will include a structured session on Montana Career Pathways and financial literacy in preparation for postsecondary training/education. SKC provides the bus meals as in-kind expenses. Area high schools that have participated in Career Exploration Day include Ronan, Polson, Charlo, Hot Springs, St. Ignatius, and Two Eagle. This supports Career Pathway activities through career exploration in Hospitality, Health Occupations, Natural Resource Occupations, and Education.

2 - Expected Measurable Outcome(s)

1. A minimum of 30 reservation High School students will explore careers options and participate in hands-on activities as well as sessions related to the Montana Career Pathways website and financial literacy.

2 - How does this project advance the use of technology in CTE?

N/A

2 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

This project supports multiple Montana Career Pathways as listed in the narrative above, and promotes secondary partnerships with Flathead Reservation high schools.

Would you like to add another project?

YesNo

Project 3 Title

Career Fair - Moving into Trades

Project 3 Begin Quarter

Q2 🔻

Project 3 End Quarter

Q4

3 - Project/Program/Purchase Summary

•

SKC will host a Career Fair that focuses on trades and one-year technical education programs. The Career Fair is currently planned to be held in April, and has the support of SKC Administration which will provide related services including security, maintenace/cleaning, and facilities. The Fair will be coordinated by the SKC DE Coordinator and the Career Center Director; the Career Center Director has experience developing this type of career day and contacts throughout the Reservation. The SKC Perkins Coordinator has exchanged emails with Missoula College, which appears interested in bringing some trades-related programs such as Culinary, Industrial Technology, and perhaps some Allied Health areas. SKC will also contact local employers, and other entities. The goal will be to provide a day offering high school students and current SKC students as well as potential postsecondary students information about the wide variety of one-year and trades programs in western Montana.

3 - Expected Measurable Outcomes

1. A minimum of 60 high school students and an additional 25 community members will participate in the Career Fair -Moving into Trades.

3 - How does this project advance the use of technology in CTE?

N/A

3 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

The project supports local partnerships with the reservation high schools. Several local high school counselors have stated that they spend little time providing career counseling to students who may be interested in a trade or technical program rather than a four-year institution. Additionally, the project will support multiple Montana Career Pathways, including Design/Construction, Transportation, Welding/Fabrication, and Allied Health.

Would you like to add another project?

- ⊖ Yes
- No

^{6 -} How does this project advance the use of technology in CTE?

N/A. This box appears to be unneeded.

When you're finished answering the questions on this page, click <u>Mark as Complete</u>. An application cannot be submitted until all pages are marked as complete.

Not finished with this page yet? Click <u>Save</u> or <u>Save & Continue</u> to fill out the missing information at a later time.

Proposed Budget Detail

See attached spreadsheet.

Proposed Budget Narrative

00 - Administrative/Indirect Costs

5% of total project funds may be used for indirect and administrative costs. If they will be used, describe the proposed administrative costs in the notes. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Indirect Costs

Indirect costs calculated at 5% of total budget.

01 - Salaries

List each position as a separate line item. In the notes please provide position title, % of FTE or total annual hours; annual salary, percentage of salary/FTE, and/or per credit rate for stipends. Stipend dollar amounts should have associated rationale. Examples: --Program Coordinator salary of \$50,000 funded at 50% or .5 FTE --Program Instructor salary for curriculum development (estimated 20 hours at \$50/hour and paid as a stipend) --Program instructor to run Career Exploration Camps (estimated 25 hours at \$20/hour) Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

The DE Coordinator will be responsible for completion of projects as outlined in the narrative. In 2021-2022, the Perkins Reserve Grant was used to pay .5 FTE of the Dual Enrollment Coordinator's salary. In 2022-2023, SKC will add an additional 10% of salary in 2022-23, with SKC paying 60% and using Perkins Reserve for 40% of the salary. Calculated as annual salary of \$48,500 * .4FTE * .4FTE = \$19,400

Career Center Director

The Career Center Director will mentor and assist the DE Coordinator with the Career Fair - Moving into Trades day, providing contacts, information about marketing the day and working with exhibitors, and providing expertise in career fair planning. Calculated at \$49,060 * .05FTE. (5%).

Stipends for SKC Faculty for Career Fair and Career Exploration Day

Instructor stipends for planning and implementing the Career Exploration Day and Career Fair - Trades, calculated at \$150 * 10 faculty (1 Highway Construction, 2 Allied Health, 3 Natural Resources, 2 Education, 2 Computer/Digital Design)

03 - Employer Paid Benefits

Should reflect percentage of position paid under Personnel. Includes FICA, retirement, WC, SUE and health insurance. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Fringe Benefits

SKC calculates fringe for full time employees as .34 * percentage of effort; this is for health benefits AND other benefits. Because SKC employees can choose from a variety of federal health insurance plans, there is no one set insurance rate, and insurance is averaged at 18%, and unemployment, disability, retirement, etc is calculated at 16%.

05 - Printing - Operating Expenditures

Each line item should list the print rate, # of copies, and use. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Printing materials for Career Fair

Printing advertising flyers for Career Fair and materials for high school students at the Fair.

06 - Consumable Supplies

Includes basic office supplies, books and reference materials, CTE classroom supplies and software. Basic office supplies will be capped at \$150 per application unless a justification is presented and approved by OCHE prior to application. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Office Supplies for DE Coordinator

General Office Supplies

Consumable Supplies for Career Fair - Moving into Trades

Supplies such as notepads, binders, table markers, nametags, pens, and other such items needed for the Career Fair. Previous experience with such events provides cost estimate.

Consumable Supplies for Career Exploration Day

Supplies for educational programs putting on hands-on experiences for high school students at Career Exploration Day (Project #2) calculated at \$100/each * 9 departments. Includes materials such as rasperry pi (mini-computers), flagging (HCT dual enrollment course), 3-D printing materials. Actual costs to be determined and invoiced with

event.

08 - Communications

Create a line item for each communications expense (eg. cellphone, mailings) Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Career Fair Advertising

Estimated cost of advertising Career Fair - Trades in radio spots, newspapers, and high school materials. Estimate provided by Career Center Director who has previously worked on similar career fairs.

09 - Travel

Include a list of who is traveling, purpose of travel, the mileage, lodging, meals, airfare, etc. Use the state approved reimbursement schedule. All travel must follow state of Montana rates and policies. Examples: --Program Coordinator to attend state Perkins meeting, fall 2021, Helena MT. Lodging 2 nights @\$155 (\$103 GSA rate plus tax) - \$230; mileage 190 miles @ \$.58 - \$110; per diem 2 days @ \$23/day - \$46 --Program Instructor to attend training in Seattle, WA, Sept. 13-19. Airfare \$200, Baggage round trip @ \$30, Ground transportation round trip @ \$50, Airport parking \$30, Per diem 9 days @ \$50, Lodging 8 nights @ \$200. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Local Dual Enrollment Coordinator travel

Mileage for DE Coordinator to travel to Flathead Reservation and Missoula/Kalispell High Schools calculated at 512 total miles * .282/mile (Arlee 70 mi RT * 2, St. Ignatius 40 RT * 2, Charlo 30 RT * 2, Hot Springs 110 RT, Ronan 12 RT * 2, Polson 12 RT * 2, Flathead HS, 112 RT * 1, Big Sky HS 126 RT * 1)

Project Directors Meeting - Helena

Travel for DE Coordinator to attend the fall DE training. Hotel * 2 nocs @ \$96+ tax = \$211; mileage Pablo-Helena RT (460 mi * .28.2/mile = \$120.52; meals 2 dinners + 2 breakfast + 2 lunches = \$61; = total \$392.52.

DE Coordinator travel to NACEP Conference

Travel to NACEP October 23 - 26, 2021, Minneapolis, MN. Estimated at Flight 800, Hotel (\$229+taxes*3 nights =\$687), meals at state rates (\$54/day * 4 = \$216), ground transportation \$50RT, mileage Pablo to Missoula airport (120*.28.2 = \$33.84), airport parking, (4 days*8 = \$32)

10 - Dues & Subscriptions

List each due, or subscription as a separate line item. Conferences registrations and other professional training should be listed under the Training/Registration category. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

NACEP Membership

Institutional Membership for NACEP, providing access to discounted conference and other educational events.

11 - Training/Registration

List the cost per attendee, who will be attending, the name of training and the host org. Any travel-related to training or professional development should be listed separately under the travel category. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Estimated at \$545 for NACEP conference registration

13 - Other

Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment".

Class 8 Licenses for Faculty for Dual Enrollment Credentialing

Class 8 licenses for 6 faculty, includes charges for fingerprinting/background check and licences; new faculty include computer programming, medical assisting/phlebotomy, Digital Design Technology, Early Childhood Education.
