COLLEGE IS POSSIBLE

Does college and everything about higher education seem like a mystery?

You might be asking yourself these questions...

• Why should I go to college?
• How is college different than high school?
• Are there different types of colleges?
• How much does it cost to go to college?
• How do I pay for college?
• Do I have to take special classes to get into college?
• What if I’m not sure what career I want?
• What if I need help while I’m in college?
