## MONTANA BOARD OF REGENTS

## **LEVEL I REQUEST FORM**

Item No.:	135-1501+R0507	Date of Meeting:	May 30 - June 1, 2007
Institution:	Montana Tech COT		
Program Title:	Certificate Of Applied Science Degree In Automotive Technology		

Level I proposals are those that may be approved by the Commissioner of Higher Education or the Commissioner's designee. The approval of such proposals will be conveyed to the Board of Regents at the next regular meeting of the board. The institution must file the request with the Office of the Commissioner of Higher Education by means of a memo to the Deputy Commissioner.

Com	missione	er of High	ner Education by means of a memo to the Deputy Commissioner.
	typ an	oically ch d (c) the	ion requested (check all that apply): Level I proposals include campus initiatives aracterized by (a) minimal costs; (b) clear adherence to approved campus mission; absence of significant programmatic impact on other institutions within the Montana System and Community Colleges.
		1. 2.	Re-titling existing majors, minors, options and certificates; (e.g. from B.S. in Mechanized Agriculture to B.S. in Agricultural Operations Technology); Eliminating existing majors, minors, options and certificates via a Program Termination Checklist;
		3. 4. 5. 6.	Adding new minors or certificates where there is a major; Adding new minors or certificates where there is an option in a major; Departmental mergers and name changes; Program revisions; and
		7.	Distance delivery of previously authorized degree programs.
	chi ite or	ief acade ms for in designee	h Level II documentation: With Level II documentation circulated to all campus emic officers in advance, the Commissioner or designee may propose additional clusion in the Level I process. For these items to move forward, the Commissioner e must reach consensus with the chief academic officers. When consensus is not the Commissioner or designee will move the item to the Level II review process.
		1. 2.	Options within an existing major or degree; Eliminating organizational units within larger institutions such as departments, divisions and colleges or schools with the exception of the five Colleges of Technology where changes require Board action;
		3.	Consolidating existing programs and/or degrees.
	Sc do pul reg pro	ience De cumenta blic secto gular Boa ovision w	regree Programs may be submitted as Level I proposals, with memo and backup tion, when they are offered in cooperation with and/or at the request of private or partners and the decision point to offer the program is not consistent with the ard of Regents program approval process. Level I approval for programs under this rill be limited to two years. Continuation of a program beyond the two years will normal program approval process as Level II Proposals.
	of	Regents	ertificate or Associate Degree programs may be placed on submission at any Board meeting. They will be placed on action agendas at subsequent meetings. All agree to insure that all other campuses receive program information well in advance

of submission.

## **Specify Request:**

Montana Tech of The University of Montana College of Technology seeks approval to add a Certificate of Applied Science degree to the existing Associate of Applied Science Automotive Technology program. The certificate will include four of the following eight National Automotive Technicians Education Foundation areas required for minimum certification of the program: Brakes, Electrical/Electronic Systems, Engine Performance, Engine Repair, Suspension and Steering, Heating & Air Conditioning, Manual Transmissions & Transaxles, and Automatic Transmissions & Transaxles. This certificate was recommended by the industry as the entry level requirement for an automotive technician.
