Any student seeking full admission to a four-year degree program at Montana State University-Bozeman, Montana State University-Billings, Montana State University-Northern, The University of Montana-Missoula, Montana Tech of The University of Montana and The University of Montana-Western must satisfy a writing proficiency standard. That standard is as follows:

D. A student who has not yet demonstrated the ability to meet these standards may be admitted (without condition) to a two-year degree program or admitted provisionally to a four-year degree program on any campus of the Montana University System. The Montana Board of Regents has approved additional guidelines to assist students who have been provisionally admitted to a four-degree program under this policy. The most important guideline requires students to change their admission status from provisional to full very early in their academic career; and if they don’t they cannot continue to work on a four-year degree. Those guidelines are entitled Operational Rules for the Provisional Admissions Status Created by Montana Board of Regents.

E. Before gaining full admission status to a four-year program, the student may prove that he/she has the appropriate proficiency in the following ways:

1. re-take one or more of the listed writing assessments to earn the required score;
2. earn a grade of C- or better in the composition course that is the prerequisite to the composition course that satisfies the general education program requirements described in Board Policy.
301.10:

3. submit a letter to the admissions office documenting a disability that prevented him/her from adequately demonstrating proficiency in a test setting if no accommodation was provided at the time of the test.

EE. A student receiving a score of 5.5 or higher on the MUS Writing Assessment will be issued a certificate of merit letter of recognition from the Montana Board of Regents for use in applying for college admissions or scholarships.

High schools throughout Montana will receive:

- certificates of appreciation from the Montana Board of Regents for their partnership activities with the Montana University System on behalf of the Writing Assessment project;
- awards of merit from the Montana Board of Regents for the exemplary performance earned by their students on the Writing Assessment project.

GF. The Montana University System will establish a uniform system to collect and report student data related to writing proficiency to provide evaluation and analysis of the writing proficiency requirement.

HG. The following categories of students are exempt from the provisions of this policy:

1. non-traditional students (those who do not enter college for a period of at least three years from the date of high school graduation or from the date when they would have graduated from high school);
2. summer-only students; and
3. part-time students taking seven or fewer college-level semester credits.
