

ITEM 147-123-R0510

Addition to MUS Strategic Plan 2010

THAT

The Board of Regents approves the K-20 Shared Policy Goals and Accountability Measures for the 2013 Biennium.

EXPLANATION

The 2009 Legislature passed SJR 8, a resolution urging the Board of Regents, Superintendent of Public Instruction, and the Board of Public Education to work with the Education and Local Government (ELG) Interim Committee on developing K-20 shared policy goals and accountability measures.

In October of 2009, ELG appointed a sub-committee of its members to work with K-12 and higher education representatives on meeting the provisions set forth in SJR 8. The item brought to the Board for approval, entitled "Shared Policy Goals and Accountability Measures for the K-20 Public Education System", is the product of their work and will be brought before the full ELG committee for approval on June 10, 2010.
