ITEM 153-2801-C1211

Authorization to Execute Easement/Right of Way Agreement between Montana Department of Transportation and Montana State University-Northern

THAT

Consistent with Regents Policy 1003.6.IV, the Board of Regents of the Montana University System authorizes MSU-Northern to execute agreements with Montana Department of Transportation [MDT] for a highway project in Havre, Montana.

EXPLANATION

1. MDT is seeking rights of way related to the reconstruction of West 11th Street from 16th West to 1st Street. The project will include widening along with new curb, gutter and sidewalk at selected locations.
 2. MDT needs to acquire 294 sf of land by fee simple interest and a .04 acre and a 303 sf by temporary construction permit. The appraised value of all acquisitions is \$1350, which MDT will pay to MSU-Northern. The Right of Way Agreement to be executed is attached.
