College of Technology**

---

**THAT**

The Board of Regents authorizes, in accordance with Montana University System Policy 940.23, the expenditure of up to \$45,000 of previously collected student computer technology fees for the purchase of 20 classroom/lab computers for student use and 20 laptops used as a mobile classroom lab.

---

**EXPLANATION**

The 20 classroom/lab computers are part of our normal replacement schedule where two computer labs, one in the fall and one in the spring, are updated each year. The laptops are replacements to existing laptops in two mobile carts that are used to provide computers for classroom work when the computer labs are not available.

This proposal was presented to and approved by the Associated Students of UM–Helena on March 28, 2011.
