I recommend approval of the FY 2014-15 labor agreement between the Montana University System and the Graphic Communication Union Local 242-C.

The agreement covers approximately seven employees in Missoula.

The primary economic component of this new labor agreement is across-the-board base wage increases on October 1, 2013 of 2.25 percent plus \$0.12 per hour and on October 1, 2014 of 2.25% plus \$0.12 per hour. In addition to the economic provisions, the agreement also includes other revisions to contract provisions that have no economic impact.
