ITEM 163-101-C0414

Amendment to By-Laws – Article IV. Officers

THAT

Request for approval to amend Article IV. Officers section of the BOR By-Laws.

EXPLANATION

The By-laws currently do not have a provision in an article that addresses vacancies that occur before a Chair or Vice-Chair's term expires. The attached amendment addresses that issue going forward and allows us to remedy the current problem we have about not having a sitting "Chair" before the election in May to sign important documents, such as the diplomas for all the campuses.
