ITEM 163-107-R0514

Revision of Board of Regents Policy 1307, Internet Reporting

THAT

The Board of Regents of Higher Education hereby revises Policy 1307, Internet Reporting to clarify that the term “chief officer” is either the chief security officer or chief executive officer, where appropriate. This more accurately reflects the process of the security officer coordinating the request and making a recommendation to and seeking approval of the campus President.

EXPLANATION

The policy was written in 2002 and was in need of review and update.
