SAVE THE DATE FEB 1st & 2nd

Please join us for the Montana University System (MUS) State-Wide Summit on Suicide Prevention on February 1st and 2nd, 2016 in Bozeman, MT. Students, faculty and staff, administrators, and public officials will come together to review relevant research, data, and promising practices to reduce suicide and improve mental health for students attending Montana's colleges and universities.

National Keynote Speakers include:

- Dr. Nance Roy, JED Foundation
- Dr. Ben Locke, Penn State University
- Dr. Donn Marshall, University of Puget Sound

Breakout sessions and workshops for:

- Students
- Faculty
- Mental health practitioners and counseling staff
- Student Affairs and Higher Education Administrators
- Public and elected officials
