At the January 25, 2016 meeting the Board of Trustees of Dawson Community College approved creating a Growing Eastern Montana (GEM) tuition rate similar to the GEM tuition rate used by Miles

Community College (approved by BOR in 2009). The GEM rate applies to students who are residents of North Dakota, South Dakota, and Wyoming and is equivalent to the out of district rate. The Board approved the In-District, Out of District and WUE tuition rate increases at the same meeting. The decrease in Out of State tuition was approved at the April 25, 2016 board meeting.
