

High Impact Practices in Montana

Erik Rose

Dr. Stacy Sherwin

Dr. David Singel

Dr. Heidi Pasek

Support from NASH

- \$150,000 over 2 years
- 6 lead institutions from Montana
- Goal is to scale
- Focus on equity

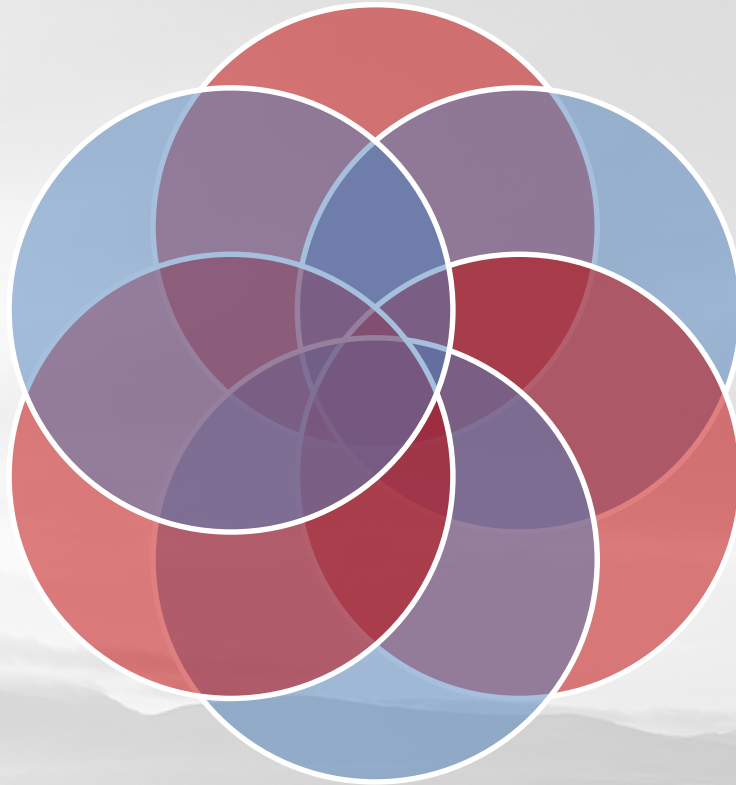

MSU - Billings

Montana State
University

Montana Tech

Great Falls
College MSU

Salish Kootenai
College

UM - Western

Target Practices

- Freshman Seminar
- Undergraduate Research
- Service or Community-Based Learning
- Learning Communities
- Internships (Field Experiences)
- Capstone Courses and Projects

Grant Objective and Goals

Identify and implement High Impact Practices with proven impact on student learning and development throughout curricular and co-curricular activities at each campus. HIPs will be intentionally designed to close achievement gaps and so that every student experiences an average of one HIP per academic year.
