It does not include any individual identified by federal law enforcement personnel as likely perpetrators of the terrorist activities. If a person is eligible for other grants or scholarships based on the individual’s relationship to a victim, which assistance may be used for attendance within the Montana University System, the waiver shall be available only if the individual has fully pursued this alternative source of student assistance and only to the extent that the alternative aid does not cover charges otherwise waivable under this policy. In other words, net educational revenues per student FTE must be greater for the non-resident student population than the resident student population.

3. **Yellow Ribbon.** Tuition may be waived for qualified veterans in accordance with an authorized Yellow Ribbon Program.
