

The image shows a scenic view of the Great Falls area. In the background, a tall, dark brick clock tower stands prominently. To its left is a large building with a red roof. In the middle ground, a bridge with multiple concrete piers spans across a river. Two people are kayaking on the river; one is in an orange kayak and the other is in a blue kayak. The foreground is dominated by the calm water of the river. The sky is blue with scattered white clouds. The overall scene is bright and sunny.

An aerial photograph showing a large-scale construction project on a riverbank. The site is filled with dirt, construction equipment, and materials. A multi-story building is under construction in the center. To the left, a river flows past a bridge. A road with traffic is visible on the right. The surrounding area includes residential buildings and trees with autumn foliage.

AgriTech Park Progress, Perspective #1

An aerial photograph showing the progress of AgriTech Park. The scene is dominated by a large, flat, brownish-green field. In the foreground, a yellow tractor is pulling a long, dark metal structure across a dirt area. To the left, there are stacks of white and orange materials. A paved road runs diagonally across the middle of the image, with a utility line running parallel to it. In the background, there are several industrial buildings, including a large one with a blue roof and several white cylindrical tanks. A body of water is visible in the distance under a blue sky with scattered white clouds.
