**Request for Authorization to Extend Memorial Walk and Redesign Lot P – University of Montana - Missoula**

---

**THAT**

In accordance with Board of Regents Policy 1003.7, the Board of Regents of the Montana University System authorizes the University of Montana-Missoula to extend Memorial Walk past the Adams Center and Campus Recreation and to redesign Lot P for Campus Drive traffic flow around the Montana Museum of Art and Culture.

---

**EXPLANATION**

The Montana Museum of Art and Culture (MMAC) is proposed to be situated on the NE corner of Lot P. The 2020 Student Life Master Plan, as well as previous Campus Plans, have identified the extension of Memorial Walk northward for better pedestrian and bike access to campus from Van Buren Street footbridge. Therefore, it makes sense to combine these two projects as one and complete all construction related work in and around the MMAC at the same time.

Funding for this project will be from UM Bond proceeds.

Legislative authority for this project is anticipated from General Spending Authority (GSA) from the 67<sup>th</sup> Legislature.
