Request for Approval to Revise Board of Regents Policy: 940.25 – Rural Physician Incentive Program; MUS/OCHE

THAT

The Board of Regents approves revisions to BOR Policy 940.25 – Rural Physician Incentive Program to improve administrative efficiency of program operations.

EXPLANATION

Streamlining administrative activities is essential to effective governance and oversight.

- As part of the program, staff at the Commissioner of Higher Education provide participating physicians with the contractual terms and the annual amounts of educational debt payment a physician is eligible to receive.
 - Applications are reviewed by an advisory committee appointed by the Commissioner of Higher Education and operating budgets are monitored as part of the annual budget process.
