ITEM 212-111-R0524

Request for Authorization to Establish Policy 303.7.2 – ~~Online Learning~~ Distance Education: Program and Course Modality Definitions

THAT

The Board of Regents adopts the proposed BOR Policy 303.7.2 - ~~Online Learning~~ Distance Education: Program and Course Modality Definitions

EXPLANATION

The proposed policy, developed in coordination with the MUS eLearning Advisory committee, defines program and course delivery modalities. Modality definitions are currently set out in Policy 303.7 – Online Learning. This revised policy is recommended to improve the clarity of the online learning policy series. This new policy amends the definitions of both program and course modality to improve clarity and align with evolving distance education practices.
