ITEM 221-102-R1125

Approval of the Board Resolution on Direct Admissions and FAFSA Completion

THAT

The board of regents adopts the attached resolution on Direct Admissions and FAFSA Completion

EXPLANATION

The attached resolution indicates the board of regents' encouragement of Montana K-12 school districts to support and participate in efforts, such as Direct Admissions campaigns and FAFSA completion efforts, designed to help students understand their college options and access funds that can help make college more affordable. The Montana Board of Public Education is considering the same resolution.
