

November 20-21, 2025

ITEM 221-101-R1125

Request for Authorization to Revise Board of Regents Policy 301.11, Undergraduate Degree Requirements, and 303.1 Academic Program Proposals; MUS/OCHE

THAT

The Montana Board of Regents approves revisions to BOR Policies 301.11 and 303.1: Undergraduate Degree Requirements.

EXPLANATION

During the 2024-2025 academic year, an Academic Processes task force, working in tandem with academic leadership from across the MUS system, revised the definitions of the baccalaureate degree to bring it in line with NWCCU as well as to provide greater consistency across the MUS system. The primary revisions proposed are to policy 301.11, but in seeking clarity to that policy, the task force moved definitions that currently reside in policy to 303.1 to 301.11.
