ITEM 223-2003-R0326

Request for Authorization to Make Necessary Repairs, Renovations and ADA Improvements to the Plew Building; Montana State University

THAT

Consistent with MCA 18-2-102 and BOR Policy 1003.7, the Board of Regents authorizes Montana State University to spend up to \$2,000,000 to construct improvements to the Plew Building.

EXPLANATION

1. The Plew Building contains University Facilities Management units, which support the continuous operation and improvement of the campus.
 2. The Plew Building was constructed in 1952 and has served as a carpenter shop and more recently as an office building. The facility was constructed prior to ADA requirements and does not have ADA access or services that include compatible restrooms.
 3. The project will address ADA improvements, associated renovations and necessary repairs that will increase space utilization rates and better align with current MSU space standards.
 4. This project will be legislatively authorized with General Spending Authority.
 5. The work will be paid from MSU's deferred maintenance reserves.
