Policy and Procedures Manual

SUBJECT: PERSONNEL

Policy 780 – Regents' Award for Excellence in University System Citizenship

Effective: May 19, 2000; Issued July 2, 2001

Board Policy:

The Board of Regents may recognize the outstanding contributions of up to two employees who work at a unit of the university system through the bestowal of a Regents' Award for Excellence in University System Citizenship. Employees shall be selected for such an award by the Commissioner of Higher Education based on their contributions to the university system that go beyond the regular expectations of their positions. Presidents, Vice Presidents, and Chancellors are not eligible to receive this award. The Regents' Award for Excellence in University Citizenship will be presented during the June-July Regents' meeting.
