

Demonstration of Mathematics Proficiency:

1. A score of 22 or above on ACT mathematics; or
2. A score of 520 or above on SAT mathematics; or
3. A score of 3 or above on the AP calculus AB or BC subject examination or a score of 4 on the IB calculus test; or
4. A score of 50 or above on the CLEP subject examinations in selected topics [college algebra, college algebra-trigonometry, pre-calculus, calculus, or trigonometry]; or
5. Completion of a rigorous high school core: In addition to English, social studies, and electives as described in the regents' college preparatory program, four years of mathematics in high school (Algebra I, Algebra II, geometry & a course beyond Algebra II) and three years of laboratory science, with grades of C or better in all courses. (Based on course availability, three years of mathematics, including a course beyond Algebra II, and four years of laboratory science may be substituted.)
