

Retention & Completion

Goal 1:
Access & Affordability

System Initiatives:

- **Complete College MT:** increase the number of degree and certificate recipients by implementing Game Changing Strategies, such as: shifting to performance funding, transforming remediation efforts, implementing programs that accelerate time to degree and incentivize full-time enrollment, and providing guided pathways that help ensure student success through the development of academic maps and intrusive advising.
- **Montana TRiO Programs:** through its longstanding TRiO programs, Montana has built a strong foundation and history in providing educational opportunity and promoting student success for low-income, first-generation students, and Americans with disabilities. These programs serve nearly 10,000 students per year and are found on nearly every campus in Montana:
 - Upward Bound
 - Educational Talent Search
 - Educational Opportunity Centers
 - Upward Bound Math & Science
 - Veterans' Upward Bound
 - Student Support Services
 - Ronald E. McNair Post-Baccalaureate Achievement
