Goal Statement

Make higher education more affordable by offering more need-based financial aid and scholarships

Objective 1.2.1
Reduce the unmet student need for financial aid (increase need-based aid)

Metric 1.2.1

The average amount of need-based aid per student in the WICHE region ($298 per student) is more than double the amount in the MUS. (source: National Assoc. of State Grant and Aid Programs)

Objective 1.2.2
Increase the percentage of students who receive grants and scholarships, as well as the average amount awarded.
