They are surrounded by 7 wilderness areas.

<http://www.montana.edu/opa/facts/quick15.htm>

# Anthrozoology

Carroll College, Helena

Anthrozoology and Pre-Veterinary  
Medicine can both be studied at Carroll.

If you'd rather help humans, 85% of  
Carroll's pre-med students are accepted  
into medical schools.

<https://degrees.carroll.edu/>

# 18

MSU, Billings

Has 1 teacher for every 18 students. They are located in the largest city in Montana and situated at the base of the Rim Rocks.

At MSU Billings you can do service learning.

[www.msubillings.edu](http://www.msubillings.edu)

# First Generation

Helena College, Helena

Being First Generation means no one else in your immediate family has gone to college. First Generation students have unique challenges. Schools that serve 1st Gen, have lots of supports in place to help them succeed.

<http://www.helenacollege.edu/abouthc/quickfacts.aspx>

# 1

UM Western, Dillon

At UM Western students take one class at a time, in an experience called X1.  
"Montana Western professors don't lecture for hours; they facilitate experiments, collaborations, presentations and research."

<https://w.umwestern.edu/section/whyumw/>

# Economic Mobility

MSU Northern, Havre

Students starting in the bottom 20% of income,  
graduate and go on to become top 20% earners.  
94% of students get jobs after graduation.

<https://www.msun.edu/admissions/>

# Million

Flathead Valley Community College, Kalispell

Last year, FVCC students were awarded nearly \$1 million in scholarships. FVCC offers courses in 13 different occupational trades and several tracks for medical studies. It's near great skiing and Glacier National Park.

<https://www.fvcc.edu/>

# 1 Year

City College, Missoula

City College in Missoula offers over 40 different degree programs. Offerings include culinary arts, diesel technology, health care, and sustainable construction. Most can be obtained in two years.

[http://mc.umt.edu/about/MTDLI-MUS\\_Missoula\\_College\\_Report\\_A1.pdf](http://mc.umt.edu/about/MTDLI-MUS_Missoula_College_Report_A1.pdf)

# Nakoda

*Aaniih Nakoda College, Harlem*

"At Aaniih Nakoda College you can study the Aaniin or Nakoda language and take classes in computer technology or microbiology. There is no other college in the world where you can do that!" You can earn a one year certificate in tribal management.

<http://www.ancollege.edu/?page=information/welcome>

# 1984

Stone Child College, Box Elder

Stone Child College was established by the Chippewa Cree Business Committee in May of 1974. It helps preserve the language, culture, and traditions of the Chippewa Cree. It offers certificate programs in pre-nursing, pre-engineering, and rural health.

<https://stonechild.edu/>

# Yellow Jackets

City College, Billings

The athletic teams at City College in Billings are known as the yellowjackets. "Graduates of City College at MSU Billings become licensed practical nurses, registered nurses, surgical technicians, paramedics, firefighters, automobile technicians, diesel technicians, process plant operators, computer system technicians, computer desktop support specialists, and computer programmers. "

<http://www.msubillings.edu/citycollege/>

# Automobile Technology

*Miles Community College, Mile City*

Students at Miles college have learned automobile technology and nursing for fifty years. MCC provides a variety of two year programs, and offers credits that transfer to 4 year schools, if you decide to go for a bachelors degree.

<https://www.milesc.edu/>

# Native Language Instructor

Fort Peck Community College, Poplar

At FPCC students can earn certificates and degrees that prepare them for immediate hire in specific fields, like native language instructor, automotive technology, business, communication, and information technology.

<http://www.fpcc.edu/academics/degrees/associate-of-applied-science/>

# 2+2
