

Montana GEAR UP is funded by the U.S. Department of Education. One of the requirements of our GEAR UP grant is that we evaluate the effectiveness of our program. Our evaluations include surveys to be completed by GEAR UP students. Only GEAR UP and evaluation staff will be able to view individual responses. Survey results will only be reported in the aggregate, meaning that your child in GEAR UP will never be personally identified in any report. We are requesting that you provide permission for your child in GEAR UP to complete our surveys.

I _____ (parent/ guardian name) give permission for _____ (student name) to complete GEAR UP surveys required for evaluation purposes.
